DBP Scholarship Program Committee  
Development Bank of the Philippines (DBP)  
Sen. Gil J Puyat Ave. corner Makati ave., Makati City 1200

Dear Members of the DBP Scholarship Program Committee,

I am writing to express my sincere interest in applying for the DBP Scholarship program, as advertised. As a motivated and dedicated student, I am committed to pursuing excellence in my academic endeavors and believe that the DBP Scholarship would greatly support my aspirations for higher education.

I am currently a Grade 11 senior high school student at Silway 8 National High School, where I have consistently demonstrated academic excellence, leadership, and a passion for learning. Despite facing various challenges, I have maintained a strong academic record and actively participated in extracurricular activities, including Senior scout and Supreme Student Government officer.

My desire to pursue Bachelor of Science in Biology at Mindanao State University General Santos City Campus, that stems from my aspiration to make a positive impact on my community and contribute to the economic development of our country. I am particularly drawn to the DBP Scholarship program because of its commitment to supporting students who demonstrate academic merit, leadership potential, and a strong desire to serve the nation.

Receiving the DBP Scholarship would not only alleviate the financial burden associated with pursuing higher education but also provide me with invaluable opportunities for personal and professional growth. I am eager to immerse myself in rigorous academic coursework, engage in research initiatives, and participate in community service projects that align with DBP's mission and values.

Moreover, I am confident that my academic achievements, leadership experiences, and dedication to serving others make me a strong candidate for the DBP Scholarship program. I am committed to leveraging this scholarship opportunity to excel academically, contribute meaningfully to society, and ultimately, become a responsible and ethical leader in my chosen field.

Thank you for considering my application. I am enthusiastic about the possibility of being selected as a recipient of the DBP Scholarship and am available for an interview at your convenience. I look forward to the opportunity to further discuss how I can contribute to the goals and objectives of the DBP Scholarship program.

Sincerely,

Aleah Peligor
